Situated close to the hill station Lonavala and 35 km north of Pune, Indori fort rises to an elevation of 1,033 m (3,389 ft) above sea level. The fort is located on the banks of Indrayani river. The fort was under the Maratha empire for the majority of the time. Indori fort was built by Sarsenapati Khandojirao Yesajirao Dabhade in the year 1720-21, The fort also has a mint building inside the fort which is in a dilapidated state.

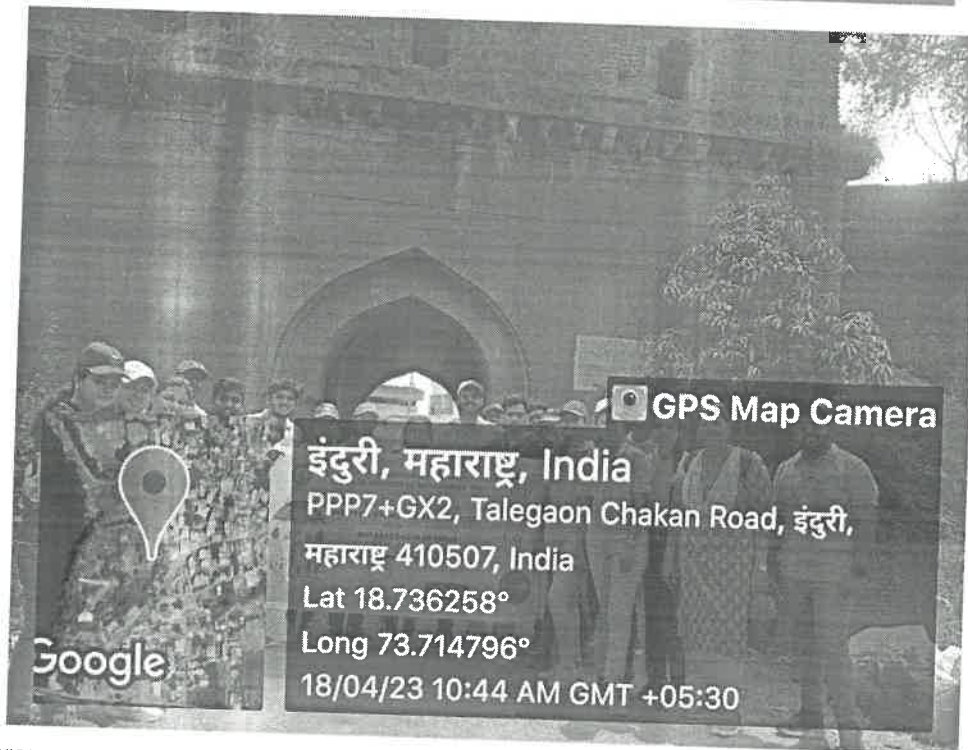

Students collected plastic cans, bottles and wrappers from the fort, and handed over it to the waste collection vehicle.

Date 2nd March 2023

To mark the International Women's day, The Rotaract Club of SBPIM & ISR committee organized an Exhibition cum sale for the hand made products from Seva Sahayog Foundation and Tana Bana Project on 2nd March 2023. The main intention was to recognize the efforts of the women from underprivileged society and help them to become financially independent. The response during this event was also very overwhelming and thus SBPIM could meet the objective of promoting Seva Sahyog and its hand- made ecofriendly products.

It is our ISR practice under Jagruti initiative that we sensitize our stakeholders towards the wellbeing of the society and underprivileged people. This kind of Exhibition cum Sale was helpful for participants as well, as they explored diverse art and craft. We got an overwhelming response from people at the campus that purchased many ecofriendly products from the exhibition cum sale, making our efforts fruitful as being a medium to help Seva Sahyog and Tana bana Foundation with the sale of the products. Many people even took the contact numbers

for future association with Seva Sahyog and Tana bana Foundation for the supply of folders and other kits for their various official events like national conference etc.
